Parents, Principals and Teachers:

Please bring your children and students to **Children's Wonderland, 2008**. It is a cultural and educational event and a highlight of the Asian Festival. Children will have the opportunity to learn and experience different arts and crafts from various Asian cultures, and have the chance to encounter hands-on activities.

The Children's Wonderland is designed and planned for students to enjoy themselves and have an exciting time exploring languages, traditions, and cultures of Asia. Projects and all materials from Children's Wonderland will be **free of charge**. Children can enjoy making crafts with Asian themes, such as those pictured below.

To register, download and submit the registration form on the AAAA website at <http://www.aaaa-az.org> by April 1st, 2008.

If you have any questions or comments, please contact Children's Wonderland Co-chair Caroline Lobo at 602-677-3141 or clobo88@yahoo.com.
